

REMARKS/ARGUMENTS

Claim 47 has been amended simply to relate the "first non-OFDM segment" and the "second non-OFDM segment" back to the non-OFDM segments introduced first in claim 1.

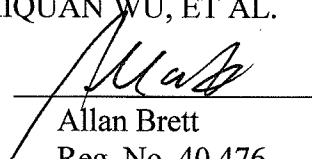

It is noted that this amendment after allowance is being submitted on the same date as the payment of the issue fee and as such in that sense should be acceptable for entry.

In view of the foregoing, early favorable consideration of this application is earnestly solicited.

Respectfully submitted,

SHIQUAN WU, ET AL.
